

CONTINUING EDUCATION

- 2015 CEU Series Available For All AIA Chapters
- Earn Learning Units (LU) in Health, Safety & Welfare (HSW)
- Michigan's Only Marble Institute of America Accredited Company

NOW SCHEDULING

#1: Natural Stone 101: Everything you NEED to know about designing with the oldest building material

AIA: MIA10, 1.0 HSW LU
 IDCEC: CEU-103265, 0.1 HSW CEU
 LACES: MIA10, 1.0 HSW LU
 NKBA: MIA159R, 0.1 CEU

- Obtain a better understanding about how the mineral composition and formation of stone affect its performance as a building material.
- Learn about the science of each species of stone, examples of how it is quarried, unique characteristics, and common applications.
- Gain knowledge about stone fabrication and finishing methods.
- Understand the resources available that are relevant to natural stone.

#2: Natural Stone and Green Design

AIA: MIA09, 1.0 HSW LU
 IDCEC: CEU-102590, 0.1 HSW CEU
 LACES: MIA09, 1.0 HSW LU
 GBCI: 0090010893, 1 CE Hour
 NKBA: MIA158R, 0.1 CEU

- Understanding the characteristics of natural stone and its historical uses
- Understanding how natural stone fits into the Green Movement
- Understanding how natural stone relates to current green building standards
- Understanding how the natural stone industry is reducing environmental impacts

#3: Tour Credit- Natural Stone: The Evolving Marketplace, Technology & Product Applications

AIA: 2011TL, 1.0 HSW LU
 NKBA: MIA113R, 0.1 CEU
 IDCEC: CEU-101088, 0.1 General CEU
 LACES: ASLA4, 1.0 HSW LU
 NKBA: MIA151R, 0.1 LU

- Learn about the history of stone, modern day quarrying techniques, and stone's durability, beauty, and value.
- Study and discuss landscape, interior and exterior use and application of natural stone.
- Obtain information about integrating trims, caps, stoops, poolcopings, watertables, veneers, etc into your designs.
- Tour a stone facility and view stone, stone applications, safety practices and/or the equipment used to fabricate stone
